

ARTICLES (A, AN, THE): WHICH ONE DO I USE?

Developed by the Center for Global Communication and Design
Revised 06/26/2018

In addition to the other handouts provided by Comm+D on article use, this flowchart will help you choose which English article to use in most cases. For more information about terms such as **countable** and **definite**, click on the following links: [Can you count it?](#) [Is it definite?](#)

Note: The [Choosing Appropriately](#) handout has more detailed explanations about the terms **countable** and **singular**.
